Abiding Savior Early
Childhood Commitment

The goal of our Early Childhood Ministry is to share Christ with your child and to provide a loving, Christian environment in which your child can learn and develop. We nurture child development in all aspects of growth with hands-on learning, celebrating the children's individual gifts while encouraging each one to reach his or her highest potential.

At Abiding Savior, we keep you informed! We offer developmental progress reports, consultations, and screenings to all Preschool and Pre-K students.

We admit students of any race, religion, color, or national ethnic origin.
