CDO PLUS

Extending your Children’s Day Out day until 3:30 p.m.

WHEN: For 2-3 year old students enrolled in ASLS Children’s Day Out, we are now offering **CDO Plus**, an extra 2 ½ hours of quality care. This additional service extends your Children’s Day Out day from the regular hours of 9:00 a.m.*-1:00 p.m. to the extended hours of 9:00 a.m.-3:30p.m. These hours coordinate with other classes at ASLS, but parents may choose to pick-up at the most convenient time for them.

*(or beginning at 8:00 a.m., if enrolled in Early Bird)

WHAT: Children in **CDO Plus** will remain in the CDO room throughout their school day. They will have naptime on little mats, an afternoon snack, and additional supervised playtime. They will be taken care of by our caring CDO staff.

COST: This service costs an additional **\$60** per month for one day of service a week. This service provides approximately 10 extra hours each month, at a low rate of only \$6.00 an hour.

HOW: If your child is not yet enrolled in CDO, simply complete the bottom portion and include it with your enrollment form. If your child is already enrolled, return this completed form to school. **CDO Plus** will be added to your child’s schedule and the fee will be added to your monthly tuition payment.
